MVEDP
THE PARTNERSHIP

About the Partnership

The Moshannon Valley Economic Development Partnership is a non-profit corporation, the result of a 1988 merger of the former Moshannon Valley Chamber of Commerce and Philipsburg Association of Commerce. We are a full-time and certified economic development organization that works toward the improvement of the Moshannon Valley area. The Partnership unites business leaders and government officials to create a working nucleus designed to enhance cooperation and build a better region. The Partnership organizes and directs the efforts of those who believe that a community worth living and working in is a community worth improving. The Partnership enables people to accomplish collectively what none of them could do individually. The strength of the Partnership lies in attracting the greatest number of individuals and firms into the membership. This pooling of resources creates an active membership from which the Partnership can draw ideas, energy, and finances.

The major focus of the Partnership is the economic well-being of the Moshannon Valley. The Partnership utilizes its unifying influence in working with other organizations and public officials to help all members of the community. Projects have included the renovation of the former General Cigar Plant to establish a 210,000 square foot incubator/multi-tenant space, the creation of the Moshannon Valley Revolving Loan Fund program, Moshannon Valley Enterprise

Park, the recruitment of businesses such as PMG Pennsylvania and Cornell Companies, and the development of the Moshannon Valley Regional Business Park.

Although the Partnership is a non-profit corporation, it is one of the highest tax payers within the Philipsburg-Osceola School District. We rely on membership dues to fund some of our day-to-day operations. The amount of money the members invest in the Partnership each year should be considered as an investment in the present and future of the community. All interested firms and individuals are invited to join and help build a better Moshannon Valley.

WHY SUPPORT THE PARTNERSHIP?

When you become a partner, you're not just joining another organization. You are becoming an important part of a team that is working to improve the Moshannon Valley's economic climate, promoting the area's assets, and meeting the growing needs of today's and tomorrow's employees. The MVEDP's volunteer board members are actively involved—studying community problems and seeking solutions that will make the Moshannon Valley a better place to live, work, and do business.

WHAT IS THE PARTNERSHIP DOING FOR YOU?

- Working hard to assist existing businesses
- Working hard to help entrepreneurs start new businesses
- Working hard to attract outside businesses to the region

- Improving the community through projects such as the Philipsburg Area and Eastern Clearfield County Housing Rehabilitation programs
- Keeping members abreast of Partnership services and plans through periodic letters and a newsletter
- Lobbying state and federal elected officials involved in legislation which affects business profits and local, state and federal business climates
- Working in partnership with the Philipsburg Revitalization Corporation to enhance downtown Philipsburg
